Ballet training is strongly recommended (though not required) for students who wish to enroll in Modern Dance and Jazz classes, because ballet is the very foundation of these dance styles. Please ask which ballet class would be appropriate for you.

Attendance Policy for Intermediate and Advanced Level Classes: Dancing is a commitment to rigorous training. Regular, consistent attendance to dance class is essential to success at any level and at all ages, and it is crucial to students who have reached the intermediate and advanced levels of their dance training.
